

GRANVILLE SIDES #1

SONYA

Did we win?

GRANVILLE

52 to 0, we whipped them boys so bad I thought somebody was gonna call the cops.

SONYA

How was Dante?

GRANVILLE

A man among boys. Looked like a young Lawrence Taylor out there. He hit this full back so hard the boy threw his helmet at his coach and quit on the spot.

SONYA

Granville.

GRANVILLE

My hand before God.

Granville re-enters with his food and an empty cup, kisses his hand then lifts it up high.

GRANVILLE

Then the 2nd string fullback was so scared his coach had to drag the boy out by his face mask.

Granville continues to chow down. He pours himself a drink. He b-lines to the couch.

GRANVILLE (CONT'D)

Then this ridiculous coach calls a fullback dive straight up the middle. BAM, Dante knocks the boy out cold. I'm talkin laid out, lights out, rock a bye baby counting sheep with the sand man. Boy left the field in an ambulance.

SONYA

Jesus.

GRANVILLE

Every SEC scout in the conference was at that game baby and they all beared witnessed to our boy's pure power!
