SONYA SIDES #1

SONYA

Give me my keys Granville.

GRANVILLE

I just poured my heart out and that's what you have to say?

SONYA

You know I believe in you baby.

They gaze into each others eyes.

SONYA (CONT'D)

Now give me my keys before I hurt you.

GRANVILLE

Hurt me baby.

They share a laugh. She gets closer.

SONYA

I want you to love me.

Even closer.

SONYA (CONT'D)

Cherish me.

And closer.
